ARTICLE I
ARTICLES OF AGREEMENT

The name and purposes of this corporation (the "Foundation") shall be as set forth in the Foundation's Articles of Agreement. These Bylaws, the powers of the Foundation and of its Board of Directors (the "Board"), Advisory Council (the "Council"), Directors, Council Members, and Officers and all matters concerning the conduct and regulation of the affairs of the Foundation shall be subject to the Foundation's Articles of Agreement and applicable laws as are in effect and as the same may be amended from time to time.

ARTICLE II
ORIGINS; INDEPENDENCE; MISSION

Section 2.1 Origins

This Foundation was established to receive the net proceeds of the sale of the assets of New Hampshire-Vermont Health Service d/b/a Blue Cross and Blue Shield New Hampshire ("BCBS-NH") to Anthem Insurance Companies, Inc. (together with its affiliates and any successors, "Anthem") in a transaction subject to the provisions of RSA 7:19-b.

Section 2.2 Independence

In accordance with the provisions of RSA 7:19-b, II(f), control of the assets of the Foundation shall at all times remain independent of Anthem.

Section 2.3 Mission

In accordance with the provisions of RSA 7:19-b, II(e), the assets of the Foundation shall continue to be devoted to charitable purposes consistent with the charitable objectives of BCBS-NH and the needs of the community which it serves. In carrying out those objectives, the members of the Board and the Council and the Officers of the Foundation shall give due consideration to the historical mission of BCBS-NH, the substantial public input received in connection with the seven public hearings conducted during June of 1999 under the auspices of the Office of the Attorney General and the
eighth public hearing conducted during September of 1999. Transcripts of those hearings, together with an executive summary thereof, shall be included with the Foundation’s permanent records located at its principal office.

ARTICLE III
BOARD OF DIRECTORS

Section 3.1 Powers; Responsibilities; Accountability

3.1.1 The business and affairs of the Foundation shall be managed by the Board who shall have and may exercise all the powers to which the Foundation may be entitled pursuant to applicable law, the Articles of Agreement and the Bylaws of the Foundation.

3.1.2 The Board shall have ultimate responsibility for the affairs of the Foundation. The Board's role is one of strategic leadership in defining and implementing the vision, mission and core values of the Foundation. It shall adopt policies to ensure the effective stewardship and management of the Foundation's human and financial resources and shall also oversee management's adherence to these policies.

3.1.3 Annually the Board shall appoint a firm of independent certified public accountants to examine and audit the Foundation's accounts. Reports of annual audit shall be submitted by the Foundation to the Attorney General’s Office, Charitable Trust Unit, to the Council and to other governmental entities as are required by law.

3.1.4 The Board shall be fully accountable to both the Foundation and the community at large for its stewardship of the Foundation and for the accomplishment of the Foundation's charitable mission and purposes.

Section 3.2 Number of Directors

3.2.1 The Board shall from time to time establish the number of persons to serve as Directors, which number shall be not less than 15 and not more than 17. When the Board has established the number of Directors, it shall endeavor at all times to maintain that number of Directors on the Board, but the failure to do so shall not constitute a violation of these Bylaws. The number so established may be changed by resolution of the Board at any annual, regular or special meeting of the Board; provided, notice for such meeting expressly states that one of the purposes of the meeting is to change the number of authorized Directors; and provided further that the approval of seventy percent (70%) of the entire Board shall be required in order to change the number of authorized Directors.
3.2.2 The membership of the Board shall be elected in accordance with the procedures established in Section 3.4 hereof.

Section 3.3 Term of Service

3.3.1 Directors\(^1\) shall be elected for terms of three (3) years, such terms to be staggered such that one-third of the total number of Directors (or such number as approximates one-third insofar as practicable) shall be elected each year. Directors shall hold office until their qualified successors have been duly elected.

3.3.2 In the interests of Board diversity, no Director shall serve for more than two (2) consecutive terms of three (3) years. Any Director serving for such period shall stand down for a period of at least one (1) year before being eligible to stand for re-election or re-appointment to the Board. Notwithstanding the foregoing, any person elected Chair or Vice-Chair may serve on the Board for an additional three-year term if necessary to complete his or her term as Chair or Vice-Chair. A Director whose term as Vice-Chair expires at the end of his or her second three-year term may, at the end of that term, be elected to a third three-year term if he or she is at the same time elected Chair of the Board.

3.3.3 The term of any Director elected to fill a vacancy prior to the expiration of a term due to death, resignation or other cause shall be for the remainder of the term of the Director whose death, resignation, or other cause created the vacancy. Notwithstanding section 3.3.2, a Director who is elected to fill such a vacancy shall be eligible to serve two (2) full consecutive terms of three (3) years after completion of the original unexpired term.

---

\(^1\) Initial Directors were appointed by the Attorney General's Office for the following Terms: Term Expiration 2000 Moral, Gustavo; Nisbet, Jane; Rhee, Y.B.; Shumway, Donald; and Therriault, Monique; Term Expiration 2001 Abrams, Elizabeth; Chollet, Susan; Howard, Deanna; Peters, Ann; and Tuttle, Georgia; Term Expiration 2002 Dupuis, Sylvio; Kuenning, Tess; Oates, James; Quinn, John; and Wiebusch, Richard.
Section 3.4 Successor and Additional Directors

3.4.1 Successor Directors and additional Directors shall be nominated and elected in accordance with the procedures set forth in this Section 3.4.1. The Board will elect successor and additional Directors from the slate of nominees developed by the Board, after consideration of any names submitted by the Council and other sources.

3.4.2 If the office of any Director is vacant prior to the expiration of his or her term, due to death, resignation or other cause, the remaining Directors by majority vote at a duly called meeting, may elect a successor from the most currently developed Nominee List.

Section 3.5 Compensation for Services

Except as provided in Article IX, Directors shall be precluded from rendering services for compensation to the Foundation in any capacity. However, Directors may be reimbursed for reasonable expenses associated with carrying out their duties as members of the Board in accordance with such policies as may be established by the Board from time to time.

Section 3.6 Removal

A Director may be removed with cause by a vote of a majority of the Directors present and voting at any annual, regular or special meeting (whether present in person or duly represented), provided that the notice for such a meeting of the Directors expressly states that one of the purposes of the meeting is removal of a Director and that a quorum of the Board, excluding the subject director, is present at said meeting.

Section 3.7 Resignation

A Director may resign at any time by delivering written notice of resignation to the Chair of the Board or to the President. Such resignation shall be effective upon receipt of such written notice (unless specified to be effective at a later date) and acceptance thereof shall not be necessary to make it effective unless such notice so states.

Section 3.8 Regular, Annual and Special Meetings

3.8.1 Regular meetings of the Board may be held at such times as the Board may determine.
3.8.2 Special meetings of the Board may be held at any time when called by the Chair of the Board or by at least one third (1/3) of the Board.

3.8.3 An annual meeting of the Board shall be held on a date determined by the Board at such place and time as may be determined by the Chair of the Board or by the Board.

Section 3.9 Notice of Meeting

3.9.1 All meetings of the Board shall be held at the principal office of the Foundation or at such other locations in the State of New Hampshire as shall be specified in the notice of the meeting. Reasonable notice of the time and place of all meetings shall be given by the Chair of the Board or the Secretary. Notice of a regular meeting need not specify the purpose of the meeting, unless otherwise required by law, the Articles of Agreement of the Foundation, or these Bylaws. However, the purposes for which a special meeting is being called shall be set forth in the notice of that special meeting.

3.9.2 Except as otherwise expressly provided herein or required by law, it shall be reasonable and sufficient if written notice to a Director is sent by (a) first class U.S. mail at least five (5) days prior to the meeting, (b) overnight private courier at least forty-eight (48) hours prior to the meeting, or (c) electronic transmission at least forty-eight (48) hours before the meeting, addressed to such Director at his or her usual or last known business or residence address.

3.9.3 Whenever notice of a meeting is required, such notice need not be given to any Director if a written waiver of notice, executed by him or her (or his or her attorney thereunto authorized) before or after the meeting, is filed with the records of the meeting, or to any Director who attends the meeting without protesting the lack of notice prior to the meeting itself or at its commencement.

Section 3.10 Quorum

At any meeting of the Board, a majority of the Directors then in office shall constitute a quorum. Any meeting may be adjourned to a later date or dates by a majority of the votes cast upon the question, whether or not a quorum is present.
Section 3.11 Action by Vote

Each Director shall have one (1) vote. When a quorum is present at any meeting, a majority of the votes properly cast by Directors shall decide any questions, unless otherwise provided by law, the Articles of Agreement or these Bylaws.

3.11.1 Votes taken during a meeting shall be by recorded roll call vote upon the determination of the chair or upon the request of any member.

Section 3.12 Action by Writing

Any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if the entire Board consent to the action in writing and each of the written consents are filed with the records of the meetings of the Board. Such consents shall be treated for all purposes as a vote at a meeting.

Section 3.13 Presence through Electronic Means

Directors may participate in a meeting of the Board by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear one another at the same time and participation by such means shall constitute presence in person at a meeting.

Section 3.14 Proxies

Directors may vote either in person or by written proxy, which proxies shall be filed before being voted with the Secretary or other person responsible for recording the proceedings of the meeting. Unless otherwise specifically limited by their terms, such proxies shall entitle the holders thereof to vote at any meeting adjourned to a later date; but the proxy shall terminate after the final adjournment of such meeting.

Section 3.15 Standard of Care

3.15.1 A Director shall perform the duties of a Director, including as a member of any Board committee on which the Director may serve, in good faith, in a manner such Director believes to be in the best interest of the Foundation and with such care, including reasonable inquiry, as an ordinary prudent person in a like situation would use under similar circumstances.
3.15.2 The Board shall avoid speculation in connection with the investment, reinvestment, purchase, acquisition, exchange, sale and management of the Foundation's investments, looking instead to the permanent disposition of the funds, considering the probable income as well as the probable safety of the Foundation's capital. No investment violates this section where it conforms to provisions authorizing such investment contained in an instrument or agreement pursuant to which the assets were contributed to the Foundation. The Board may adopt a spending policy consistent with the provisions of RSA 292-B, provided however, that in the first instance such spending policy shall comply in all respects with the minimum distributable amount of annual qualifying distributions as required for a private foundation under Internal Revenue Code §4942. If I.R.C. §4942 requires an appropriation in excess of the amount otherwise allowed under RSA 292-B, the distribution requirements of I.R.C. §4942 shall control. However, without the approval of at least seventy percent (70%) of the entire Board and thirty (30) days’ prior written notice to the Director of Charitable Trusts, the Board shall not authorize the appropriation of funds in any fiscal year in an amount greater than six percent (6%) of the fair market value of the assets of the Foundation’s endowment funds (calculated on the basis of market values determined at least quarterly and averaged over a period of 3 or more years).

Section 3.16 Inspection

Every Director shall have the right to inspect and copy all financial records, governing documents, Board and Committee meeting minutes, and to inspect the physical property of the Foundation during business hours.

Section 3.17 Community Outreach and Accountability

Throughout the year the Board shall strive to undertake community outreach activities. In consultation with, and with support from, the Council, the Board shall establish a varied program of community outreach activities designed to assess community needs, encourage participation by communities and individuals that are intended to benefit from the Foundation’s activities, and listen to, and obtain feedback from, members of the community about the Foundation’s grant making goals and activities. The Board shall not absolve itself of this responsibility by delegating it to the Council. The Board shall prepare and issue an annual report of its activities for public review, as contemplated by Section 10.2 hereof.
ARTICLE IV

ADVISORY COUNCIL

Section 4.1 Advisory Council

4.1.1 The Foundation shall have an Advisory Council (“Council”) consisting of no fewer than twenty (20) nor more than twenty five (25) individuals, whose membership shall reflect the diversity of the State of New Hampshire and diverse healthcare interests, including but not limited to, consumers, healthcare providers, and people affected by lack of access to the healthcare system in New Hampshire.

Section 8.2 Fiscal Year

The fiscal year of the Foundation shall end on September 30 of each year, unless the Board determines otherwise.

Section 8.3 Execution of Papers

Except as the Board may generally or in particular cases authorize the execution thereof in some other manner or consistent with current policy all deeds, leases, transfers, contracts, bonds, notes, checks, drafts and other obligations made, accepted, or endorsed by the Foundation shall be signed by the Chair, the President, Vice Chair, Secretary or Treasurer.

Section 8.3.1 Electronic Transfers

Notwithstanding, only the President or the President’s designee may authorize electronic transfers of funds between accounts held by or for the benefit of the Endowment, provided that the President or the President’s designee shall maintain documentation of each transfer.

Section 8.4 Governing Law

In all matters not specified in these Bylaws, or in the event these Bylaws shall not comply with applicable law, the laws of the State of New Hampshire as then in effect shall apply.
Section 8.5  Nondiscrimination Policy

The policy of the Foundation prohibits discrimination on the basis of age, sex, religion, race, color, creed, sexual orientation, physical or mental disability, national or ethnic origin, or marital or parental status in the recruitment and employment of employees, in the awarding and acceptance of grants and funds, and in the operation of all programs and services; provided, however, that nothing herein to the contrary shall limit or restrict the Foundation from awarding grants or other financial support to programs and services designed to meet the special health needs of specific populations or groups of New Hampshire citizens.

Section 8.6  Indemnification of Officers and Directors

8.6.1 The Foundation may indemnify any person who was or is a party to any pending or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he or she is or was a Director or Officer of the Foundation, against expense (including attorney fees), judgments, fines, and amounts paid in settlement, actually and reasonably incurred by him or her in connection with such action, suit or proceeding, but only if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Foundation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. Subject to the foregoing and to the provisions of 8.6.3 hereof, the Foundation may indemnify any such person in such circumstances to the fullest extent permitted by law. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that the person (a) did not act in good faith and in a manner which he or she reasonably believed to be in the best interests of the Foundation and/or, (b) with respect to any criminal action or proceeding, had reasonable cause to believe his or her conduct was lawful.

8.6.2 Notwithstanding anything in this Section 8.6 to the contrary, the Foundation shall not indemnify any Director or Officer in connection with a proceeding by or in the right of the Foundation; or in connection with any other proceeding charging improper personal benefit to him or her, whether or not involving action in his or her official capacity, in which he or she was adjudged liable on the basis that personal benefit was improperly received by him or her.

8.6.3 To the extent that a Director or Officer of the Foundation has been wholly successful on the merits in defense of any action, suit, or proceeding referred to in this
Section 8.6, he or she shall be indemnified against expenses (including attorney fees) actually and reasonably incurred by him or her in connection therewith to the fullest extent permitted by law.

8.6.4 Expenses (including attorney fees) incurred in defending a civil or criminal action, suit, or proceeding may be paid by the Foundation in advance of the final disposition of such action, suit, or proceeding as authorized in this Section 8.6 if:

(a) the Director or Officer furnishes to the Foundation a written affirmation of his or her good faith belief that he or she has met the standard of conduct required herein;

(b) the Director or Officer furnishes to the Foundation a written undertaking, executed personally or on his or her behalf, to repay the advance if it is ultimately determined that he or she did not meet the standard of conduct required herein; and

(c) a determination in accordance with the terms of RSA 293-A:8.50-58 is made that the facts then known to those making the determination would not preclude indemnification.

The undertakings required by this Section 8.6.4 must be an unlimited general obligation of the director or officer, but need not be secured, and may be accepted without reference to financial ability to pay.

8.6.5 The indemnification provided by this Section 8.6 shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any bylaw, agreement, or vote of disinterested Directors, or otherwise, and any procedure provided for by any of the foregoing, both as to action in his or her official capacity and as to action in another capacity (held at the express request of the Foundation) while holding such office, and shall continue as to a person who has ceased to be a Director or Officer and shall inure to the benefit of heirs, executors, and administrators of such a person.

8.6.6 The Foundation may purchase and maintain insurance on behalf of any person who is or was a Director or Officer of the Foundation against liability asserted against him or her and incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the Foundation would have the power to indemnify him or her against such liability under provisions of this Section 8.6.
8.6.7 All references herein to (i) the Code shall be deemed to refer to the Internal Revenue Code of 1986, as now in force or hereafter amended, (ii) the RSA shall be deemed to refer to said statutes as now in force or hereafter amended, and (iii) particular sections of the Code or the RSA shall be deemed to refer to similar or successor provisions hereafter adopted.

ARTICLE IX
PROHIBITED TRANSACTIONS; CONFLICT OF INTEREST

Section 9.1 Loans

The Foundation shall not make any loan of money or property to, or guarantee the obligation of, any Director, Council Member, Officer or agent.

Section 9.2 Sale of Real Estate

The Foundation shall not sell, lease, purchase, or convey any real estate or interest in real estate to or from a Director, Council Member or Officer of the Foundation without the prior approval of the probate court; provided, however, that this section shall not prohibit the Foundation from accepting a bona fide gift of an interest in real estate by a Director, Council Member or Officer.

Section 9.3 Pecuniary Benefit Transactions

Except as provided in Section 9.4 hereof, the Board shall not approve, or permit the Foundation to engage in, any pecuniary benefit transaction. A pecuniary benefit transaction is a transaction to which the Foundation is a party and in which one or more of its Directors has a direct or indirect financial interest in excess of $500 on an annual aggregate basis. A Director shall be deemed to have an indirect interest in any pecuniary benefit transaction involving a person or entity of which a Director, or a member of the immediate family of a Director, is a proprietor, partner, employee, or officer. The following shall not be considered pecuniary benefit transactions:

(a) Reasonable compensation for services of a President, and expenses incurred in connection with official duties of a Director or Officer;

(b) A benefit provided to a Director, Council Member or Officer or member of the immediate family thereof if: (1) the benefits are provided or paid as part of programs, benefits, or payments to members of the general public; (2) the Foundation has adopted
written eligibility criteria for such benefit in accordance with its Bylaws and applicable laws; and (3) the Director, Council Member, Officer or family member meets all of the eligibility criteria for receiving such benefit; and

(c) A continuing transaction entered into by the Foundation, merely because a person with a financial interest therein subsequently becomes a Director, Council Member or Officer of the Foundation.

Section 9.4 Approval

The Foundation may engage in a pecuniary benefit transaction if all of the following conditions are met:

9.4.1 The transaction is for goods or services purchased or benefits provided in the ordinary course of the business of the Foundation, for the actual or reasonable value of the goods or services or for a discounted value, and the transaction is fair to the Foundation.

9.4.2 The transaction receives affirmative votes from at least a two-thirds majority of all the disinterested members of the Board, which majority shall also equal or exceed any quorum requirement specified in these Bylaws after full and fair disclosure of the material facts of the transaction to the Board and after notice and full discussion of the transaction by the Board.

9.4.3 Without participation, voting, or presence of any Director or Officer with a financial interest in the transaction or who has had a pecuniary benefit transaction with the charitable trust in the same fiscal year, except as the Board may require to answer questions regarding the transaction; and a record of the action on the matter is made and recorded in the minutes of the Board.

9.4.4 The Foundation maintains a list of disclosing each and every pecuniary benefit transaction, including the names of those to whom the benefit accrued and the amount of the benefit, and keeps such list available for inspection by members of the Board and the Council. The list shall also be reported to the Director of Charitable Trusts each year as part of the Foundation's annual report required under RSA 7:28.

9.4.5 If the transaction, or the aggregate of transactions with the same Director or Officer within one fiscal year, is in the amount of $5,000 or more, the Foundation publishes notice thereof in a newspaper of general circulation in the state, and gives
written notice to the Director of Charitable Trusts, before consummating the transaction. At a minimum, such notice shall state that it is given in compliance with this section and shall include the name of the Foundation, the name of any Director or Officer receiving pecuniary benefit from the transaction, the nature of the transaction, and the specific dollar amount of the transaction.

**Section 9.5  Compliance with Private Foundation Rules**

Any provision of these Bylaws or the Articles of Agreement of the Foundation to the contrary notwithstanding, so long as the Foundation is deemed to be a “private foundation” as defined in Section 509 of the Internal Revenue Code of 1986, as amended (the “Code”), the Foundation:

9.5.1 Shall distribute its income for each taxable year (and principal, if necessary) at such time and in such manner as not to subject the Foundation to tax under Section 4942 of the Code;

9.5.2 Shall not approve of, or engage in, any act of self-dealing as defined in subsection (d) of Section 4941 of the Code;

9.5.3 Shall not retain any excess business holdings as defined in subsection (c) of Section 4943 of the Code;

9.5.4 Shall not make any investments in such a manner as to subject this Foundation to tax under Section 4944 of the Code; and

9.5.5 Shall not make any taxable expenditure as defined in subsection (d) of Section 4945 of the Code.

**Section 9.6  Conflict of Interest Provisions**

A conflict of interest or an appearance of a conflict of interest may arise when a Director has a direct or indirect interest in another entity which enters into a transaction with the Foundation, including, but not limited to, applications for grant or loan support. Direct or indirect interest includes any legal, equitable or fiduciary interest or position in an entity by a Director or a member of a Director's family. Any such interest shall be disclosed and made a matter of record at the time of election to the Board and maintained through an annual procedure and when the interest becomes a matter of Board action. No Director having a conflict of interest in any matter shall be counted in determining the quorum for the meeting, nor present when the matter is discussed or voted on.
Meeting minutes shall reflect that the disclosure was made, that the Director abstained and was not present during the discussion or vote, and that a quorum existed not counting such Director. The conflict-of-interest provisions of this Section 9.6 shall be in addition to and not in lieu of the applicable provisions of New Hampshire law regarding conflicts of interest.

Applications for grants from agencies or organizations that employ members of the Board of Directors of the Endowment for Health in a managerial capacity will not be accepted during, and for one year after, the term of office of the Board member. Notwithstanding the foregoing, in the case of institutional or governmental applicants, applications for grants from departments, divisions or programs other than the department, division or program in which the Board member is employed in a managerial capacity may be accepted, provided that the Board member has no involvement in the application and receives no direct or indirect personal financial benefit from any grant awarded.

Section 9.7 Consent Agenda for Grant Recommendations

The board may use a consent agenda for action on grant recommendations. When this method is used, action on grant recommendations will first be approved by the Program Committee, and the Board Chair will then place the proposed actions on a consent agenda for the next regularly scheduled board meeting.

All items on the consent agenda shall be described in sufficient detail for the board to understand the proposed action and for individual members to identify any potential conflicts of interest. Any board member may request that any item be removed from the consent agenda, and upon such request the item shall be removed for separate discussion and vote. The board will then take action on the items remaining on the consent agenda in a single vote.

Prior to any such vote, all directors present shall indicate in writing the presence or absence of a conflict of interest or appearance of a conflict of interest as appears in section 9.6. Any Director who has a conflict of interest or appearance of a conflict of interest shall identify the conflict in writing on a form to be provided, but shall not be required to remove the item from the consent agenda and shall not be required to leave the room, notwithstanding the provisions of section 9.6. The conflict shall be noted in the minutes of the meeting, and the director shall not be counted in determining a quorum. For any item that is removed from the consent agenda for discussion, any director who has a conflict of interest shall leave the room during the discussion and vote on the item.
Section 9.8 Grant, Donor Advised Fund Distribution Recommendation, and Contract Approval

All grants, donor advised fund distribution recommendations, and contracts shall be approved by the Board prior to awards being made, payments being issued, donor advised fund distribution recommendations being made, or contracts being entered into, except as provided in this section.

9.8.1 Executive Committee Authority

The Board delegates its approval authority to the Executive Committee when time is of the essence and where delaying the decision until the next Board meeting, in the judgment of the Executive Committee, will significantly diminish the effectiveness of the action:

(a) For any grant which conforms to the approved budget;
(b) For any donor advised fund distribution recommendation which conforms to the Foundation’s mission;
(c) For any contract which conforms to the approved budget

No less than 24 hours prior to presenting any decision to the Executive Committee for approval pursuant to this subsection, the President shall cause notice to be sent to all Board members describing the decision, the need for immediate action, and the date, location, and time of the Executive Committee meeting when the decision will be considered. Board members with questions or concerns regarding the decision may attend the Executive Committee meeting or convey their questions or concerns about the decision to the committee. A vote of approval by a majority of the Executive Committee shall have the same force and effect as final approval by the Board. Decisions made pursuant to this subsection shall be reported to the Board at its next meeting and shall be included in the minutes of that meeting.

9.8.2 President’s Authority – Grants and Donor Advised Fund Distribution Recommendations

The Board delegates its authority to the President, or in his or her absence to the highest ranking Board officer who is available, when insufficient time exists to obtain Executive Committee approval, and where, in the judgment of the President/Board officer, time is of the essence and failure to immediately act will result in a significant lost opportunity to advance the mission of the Foundation:
(a) For any grant for no more than $20,000, which conforms to the approved budget;
(b) For any donor advised fund distribution recommendation of no more than $20,000, which conforms to the Foundation’s mission.

A decision made by the President/Board Officer pursuant to this subsection shall have the same force and effect as final approval by the Board. Decisions made pursuant to this subsection shall be reported as soon as possible to the Executive Committee. Decisions made pursuant to this subsection shall also be reported to the Board at its next meeting and shall be included in the minutes of that meeting.

9.8.3 President’s Authority – Contracts

The President and when designated by the President, the Chief Financial Officer, are granted authority to enter into contracts on behalf of the Board for the purpose of carrying out the business of the Foundation provided such contracts conform to the approved budget and adhere to the following requirements:

(a) Contracts up to $20,000 may be authorized by either the President or the Chief Financial Officer;
(b) Contracts above $20,000 and up to $50,000 shall be authorized by both the President and the Chief Financial Officer. If the Chief Financial Officer is not designated with this authority by the President, a Board officer may serve in this capacity
(c) Contracts over $50,000 require approval of the Board.

The President’s and Chief Financial Officer’s signature entering into a contract made pursuant to the authority granted by this subsection shall have the same force and effect as final approval of the contract by the Board.
ARTICLE X

GRANTS ADMINISTRATION

Section 10.1 Purpose of Grants

The Foundation shall have the power to make grants and contributions and to render other financial assistance for the purposes expressed in the Foundation’s Articles of Agreement.

Section 10.2 Grant Responsibility

The Board shall have control over grants, contributions, and other financial assistance given by the Foundation. The Board shall oversee the solicitation, review, and decision-making regarding all grants and contributions. The Board shall provide to the public annually a list of grant awards and contributions made by the foundation.

ARTICLE XI

AMENDMENTS TO THE BYLAWS

Unless otherwise provided, these Bylaws may be amended or repealed, and new Bylaws may be adopted in whole or in part, by the affirmative vote of a majority of the Directors of the Foundation then in office; provided, however, that thirty (30) days notice of the time and place of the meeting is given by the Chair of the Board or Secretary and the Bylaws of the Foundation may not be amended in a manner inconsistent with the Foundation’s Articles of Agreement, applicable New Hampshire law or the requirements for maintaining the Foundation’s qualification as a tax-exempt organization for federal income tax purposes. Anything to the contrary herein, any amendment to a provision of these Bylaws which contemplates or requires the approval of the Director of Charitable Trusts and/or the Probate Court shall require the approval of the Director of Charitable Trusts and/or the Probate Court as the case may be.
